Registry of Persons with Special Needs

Did you know that the Hendry County Emergency Management has a registry for persons with special needs? The program is designed for those who have special physical and/or medical needs and may require government evacuation and/or shelter assistance in the event of an emergency. In the event of a hurricane or other catastrophe, the Hendry County Emergency Management will attempt to provide special sheltering and transportation for those who have chronic medical conditions requiring special needs.

For more information on the program or to obtain a registration form, please contact Hendry County Emergency Management at 863-674-5400.

All information obtained by Hendry County Emergency Management in connection with the Special Needs Registry will be viewed only by the Emergency Management Coordinator and the Health Department staff, who will be evaluating and determining your medical needs. This information **will not** be made available to others.

IN ADDITION TO THIS PROGRAM

Customers of the City of Clewiston may apply to be listed on the **Medically Essential Electric Service List**. The term "medically essential" means the medical dependence on electric-powered equipment that must be operated continuously or as circumstances require as specified by a physician to avoid the loss of life or immediate hospitalization of the customer or another permanent resident at the residential service address.

CUSTOMERS MUST RECERTIFY ON AN ANNUAL BASIS

For more information on this program or to obtain an application please contact the Utilities Office at 863-983-1454.
