Adjournment

The City of Clewiston is an equal opportunity provider and employer.

City Hall is wheelchair accessible and accessible parking spaces are available. Accommodation requests or interpretive services must be made 48 hours prior to the meeting. Please contact the City Clerk's office at (863) 983-1484, extension 105, or FAX (863) 983-4055 for information or assistance.

If a person decides to appeal any decision made by the City Commission with respect to any matter considered at this meeting, the person will need a record of the proceedings, and that, for such purpose, the person may need to ensure a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.

I, the undersigned authority, do hereby certify the above Notice of Meeting of the City Commission of the City of Clewiston is a true and correct copy of said Notice and that I posted a true and correct copy of said Notice at the front and rear entrances of City Hall, a place convenient and readily accessible to the general public at all times.

CITY OF CLEWISTON Special Commission Meeting/Workshop March 4, 2024

The Clewiston City Commission held a special meeting/workshop in the City Hall Commission Chambers on Monday, March 4, 2024. The meeting was called to order at 3:00 p.m. by Mayor James Pittman. Mayor Pittman gave the invocation and the audience joined in reciting the Pledge of Allegiance.

<u>**Commissioners Present:**</u> Mayor James Pittman, Vice Mayor Greg Thompson, Commissioner Barbara Edmonds, Commissioner Hillary Hyslope and Commissioner Mali Gardner.

<u>Personnel Present</u>: City Manager Randy Martin, Director of Operations Danny Williams, IT Administrator Justin Lucas and Consulting Engineer David Trouteaud.

Visitors Present: R. Leonard Carroll, Lisa Walker, Hilary Metz and Charles Svirk.

Additions/Deletions/Changes and Approval of the Agenda – There were no additions/deletions or changes to the agenda.

Public Comments – There were no public comments.

1. **Resolution No. 2024-012** – Resolution No. 2024-012 authorizes an application to the U.S. Congress for a congressional appropriation for FY 2025 Community Project Funding (CPF) to create a Comprehensive Public Utility Master Plan for the City of Clewiston.

Manager Martin stated that this appropriation would be used to assess our current water and wastewater systems, extension plans to serve future developments and our water and wastewater treatment plants and future reuse distribution system. Mayor Pittman read Resolution No. 2024-012 by title.

Commissioner Gardner made a motion, seconded by Vice Mayor Thompson, to approve Resolution No. 2024-012. Vote 5 yeas, 0 nays

2. Resolution No. 2024-013 – Resolution No. 2024-013 authorizes applications for Small County Outreach Program (SCOP) Grants with the State of Florida Department of Transportation, which, if approved, will provide funding for the road repair and overlay of Herbert Hoover Dike Road and a section of Aztec Avenue from W.C. Owen Avenue to S. Francisco Street.

Mayor Pittman read Resolution No. 2024-013 by title. Manager Martin reported that the application for the Herbert Hoover Dike Road project will be re-submitted this year as the first priority. The City submitted an application for that project last year as the secondary priority but was unsuccessful. He recommended submitting an application for the eastern portion of Aztec Avenue as the secondary priority project this year. Consulting Engineer

David Trouteaud commented on the Herbert Hoover Dike Road project explaining that it is essentially a mill and resurface project and will update some of the drainage tying in to the C-21 project. He confirmed that addressing the dips on the southwest corner on the east end would be included in this project. Manager Martin stated that the contractor that did some damage to Herbert Hoover Dike Road did some improvements to the road but no compensation was offered or received. He added that we will also be improving the walkways to a bike path width or multi-use path on the same side of that road, in like manner as staff are proposing on Francisco for that section. Engineer Trouteaud next commented on the Aztec Avenue project. He stated that it is a similar type millinery surface, fixing some minor drainage. The plan is to extend the sidewalk on the north side to Francisco for connectivity and he didn't feel that sidewalk needed to be widened. Mayor Pittman stated that he feels that section of Aztec needs to be three-laned with the bike path and sidewalk. Manager Martin agreed but pointed out that the SCOP can't be used as a source for extensive lane widening for capacity. He confirmed that if we accept SCOP funding for this project, we would still be able to widen the road in the future; it would just require some other source of funding. The engineer agreed to verify the footage amount on the south side of Aztec for future widening potential. Manager Martin commented on the reasons Aztec Avenue was selected for this project. He stated that we could take another look and see if anything else such as aprons could be accomplished with this project. Mayor Pittman reiterated that he would like to see that section three-laned because of the industrial traffic and foot traffic with kids walking to the high school.

Commissioner Hyslope made a motion, seconded by Vice Mayor Thompson, to approve Resolution No. 2024-013. Vote 5 yeas, 0 nays

Bridge Over C-21 Canal Project Change Orders – Manager Martin commented on the 3. unencumbered funds and \$43,100 in county shared state boating improvement funding recommended to be applied to this project. To meet the need that the staff is recommending we also are suggesting supplementing as necessary using the CRA expansion area funding described in the report for the next meeting agenda item. We believe this would be an important use of a portion of that funding to meet the minimum requirements to award a change order to complete some of these much needed improvements. Engineer Trouteaud reviewed the scope of the project. The flow of traffic in the parking area was discussed and Director Williams commented on the lighting. Manager Martin stated that we estimate to be short a little over \$70,000 with funding based upon the contractor pricing and suggested that we be prepared to add up to \$75,000 to this project and that those funds come from our CRA funding for this section. We will have to go through the CRA Advisory Board and CRA Board which is comprised of all the members of the City Commission. He stated that if this is the direction the Board wants to go, we will further go over the details with DOT on the concurrence for the funding that is left in the DOT funded project from the legislature, we will further work out details with engineers, complete negotiations with the contractor and come back for formal action on the change order at the next meeting.

The consensus of the Commission was to move forward with this project using the \$43,100 in county shared state boating improvement funding and up to \$75,000 of the CRA expansion area funding, as necessary to supplement remaining grant funding.

Commissioner Gardner asked for an update on filling the vacancies on the CRA Advisory Board. Manager Martin stated that he believed there were at least two vacancies on the board and an update will be provided at the next Commission Meeting.

- 4. Ventura Avenue Streetscape Project/Downtown & CRA Areas - Manager Martin commented on the project and how it would make sense to incorporate the side streets and go ahead and start the discussion in parking, landscaping and lighting and tie them together and use CRA funding for those improvements. Consultant Trouteaud said that Tetra Tech is still working on a change order to include the roundabout design. Manager Martin commented on the parking availability that this project would provide along with possibly getting some private parking lot owners to collaborate with us that would be mutually beneficial. He feels there is no better use of the substantial portion of the CRA money that we currently have than to try to upgrade the Bond Street area in concert with the Ventura Streetscape Project and truly create a downtown atmosphere. Mayor Pittman suggested that the lump sum estimate be broken down and one area be improved at a time such as the parking lot area behind the old police department. Commissioner Gardner noted that she likes roundabouts but reminded the Commission of DOT's recommendation in its vision plan for Ventura calling for the redesign of the street to include a two-lane cross section, diagonal on-street parking, landscaping strips between the parking and the sidewalks, and wide sidewalks. The road would allow for bicycles to share the right of way with vehicles. She added that the landscaping on Bond Street reduced the total number of parking spaces. She feels that we will be harming the businesses on Ventura especially the church by taking away some of the prime parking when the DOT plan did not call for that. Manager Martin stated that he feels this plan is consistent with the DOT plan except for the roundabout. It is not a significant loss of parking but it might not be at every business or building but there will be plenty of parking. He feels that makes it even more important that we have off street safe public parking available. His recommendation would be to engage certain business owners and offer them improvements that would maybe justify the shared use of their parking. Commissioner Hyslope expressed that she feels it is important that we try to figure out how a large delivery truck or mail truck could pull off Ventura so that traffic is not backed up. Commissioner Gardner stated that we need to show the south side businesses and the church the plans because she feels it is going to be an issue for the business owners. Mayor Pittman suggested that we ask the P&Z Board to look at this for their input.
- 5. FDOT Sugarland Highway Beautification Project Status Consulting Engineer Trouteaud reviewed the presentation on the status of the project. He stated that phase 5 of the project is ready to bid now and needs to be built by December 2024. There are 13 palm trees in the median for that phase because DOT said we needed to stay away from all existing utilities. Commissioner Gardner asked to see that statement in writing from DOT. Engineer Trouteaud stated that phase 6 was recently grant funded and the application for phase 7 is due October 1 and we would like to finalize the draft application by mid-August. It was confirmed that the palm trees will be in the median for phases 5, 6 and 7. Manager Martin commented on the possibility of having the palm trees in the median and on the outsides in any future phases after phase 7 subject to DOT concurrence.
- 6. San Pedro/Alverdez Culvert Project Status Engineer Trouteaud reported the contractor's intent was to mobilize sometime this week and be out of the area in a month.

7. Hendry County Impact Fees Status – Manager Martin stated that Director/Fire Chief Reese put together the City's response for the addition of fire services to the study that was done. The county has contracted for an amendment to the project scope to include that service in the analysis. They are collecting the same data we submitted from all the fire departments impacted and that has been submitted on part of the city and they were expecting within a couple of months to have the amendment to the plan complete. Then it will come back to the county commissioners to schedule any additional public meetings before they go to public hearing. He has asked for further discussion on law enforcement and on the library since the city is the operator or primary agency for the cooperating expenses but it would impact future capital needs if the county goes forward and establishes the impact fees for those areas of service. He stated that he would share any discussions with the county about how this works for law enforcement funding and for the library as more feedback is received.

Mr. Charles Svirk came forward and commented on how he feels an impact fee would be detrimental to the growth of Hendry County. He stated that he would like to contribute his knowledge as a builder and would be happy to address any questions.

Ms. Lisa Walker came forward and stated that she is interested in the historical and cultural sites in the city. She provided a copy of the Section 98-81 of the Clewiston Code of Ordinances regarding the preservation of historical structures. Commissioner Gardner asked her to apply for one of the vacancies on the CRA Advisory Board.

The Commission thanked Mr. Svirk and Ms. Walker for coming. Mayor Pittman commented on the condition of the racquetball court facility and asked that it be cleaned. Next, he thanked the Rotary Club and volunteers that helped beautify Sugarland Park in preparation for the upcoming baseball season.

Adjournment

Commissioner Gardner made a motion, seconded by Commissioner Hyslope, to adjourn the meeting at 5:13 p.m. The motion was approved unanimously.

James Pittman, Mayor

CITY OF CLEWISTON Regular Commission Meeting March 18, 2024

The Clewiston City Commission held its regular meeting in the City Hall Commission Chambers on Monday, March 18, 2024. The meeting was called to order at 5:00 p.m. by Mayor James Pittman. Mayor Pittman gave the invocation and the audience joined in reciting the Pledge of Allegiance.

<u>Commissioners Present</u>: Mayor James Pittman, Vice Mayor Greg Thompson, Commissioner Barbara Edmonds, Commissioner Mali Gardner and Commissioner Hillary Hyslope.

<u>Personnel Present</u>: City Manager Randy Martin, Finance Director Shari Howell, Director of Operations Danny Williams, Assistant Utilities Director Lynne Mila, IT Administrator Justin Lucas, Community Development Director/Fire Chief Travis Reese, Consulting Engineer David Trouteaud and City Attorney Dylan Brandenburg.

<u>Visitors Present</u>: Lisa Walker, Brian Sullivan, Janet Taylor, Lavita Holmes, D'Mari Hallback, Brad Berkman, Pedro Penton, Joshua Remedios, Roberto Barrera and Terry Gardner.

Additions/Deletions/Changes and Approval of the Agenda – Manager Martin suggested that Agenda Item No. 7 be tabled until negotiations are complete and details are finalized with the contract and approval from FDOT is obtained. All of the follow-up information requested from the contractor had not been received. He recommended that it not be scheduled for a date certain at this time. He would either communicate with the commission on the need for a special meeting or it could be placed on the agenda for the next regular meeting. He then pointed out that there is at least one other applicant for the Community Redevelopment Advisory Board and suggested the Commission not consider appointing any new members for the vacancies at this time.

Commissioner Hyslope made a motion, seconded by Vice Mayor Thompson, to remove Agenda Item No. 7 from the agenda. Vote 5 yeas, 0 nays

Vice Mayor Thompson stated that he would like to add the discussion of the city manager's job performance and possible reconsideration of the contract to the agenda.

Vice Mayor Thompson made a motion, seconded by Commissioner Hyslope, to add the discussion of the city manager's job performance and possible reconsideration of the contract to the agenda. Vote 5 yeas, 0 nays

Mayor Pittman stated that the discussion of the city manager's job performance and possible reconsideration of the contract will be added to the agenda as Agenda Item No. 9A.

PRESENTATIONS

2. **PRESENTATION –** Florida League of Cities 2024 Mayor John Land Years of Service Award – Commissioner Mali Gardner

Mayor Pittman read the Florida League of Cities resolution recognizing Commissioner Gardner for her 25 years of service and presented a resolution plaque and pin to her. Commissioner Gardner stated that it has been an honor and blessing to serve the City.

3. PRESENTATION – Glades Lives Matter - Year in Review

Mayor Pittman introduced Lavita Holmes with Glades Lives Matter. Ms. Holmes stated that the Glades Lives Matter organization is committed to making sure that the resources for this area are known and the voices here are heard locally and at the state level. She commented on their activities this year and introduced D'Mari Hallback, a senior at Moore Haven Middle-High School participating in the Glades Lives Matter ambassadorship program. Mr. Hallback thanked Janet Taylor and Lavita Holmes for giving him and the other students the opportunity to participate in this program.

ORDINANCES

4. Ordinance No. 2024-04 – First Reading – Ordinance No. 2024-04 abandons and vacates the alley, located in Block 424 of the General Plan of Clewiston, Florida, as revised, located and lying between Lots 1-44.

Mayor Pittman read Ordinance No. 2024-04 by title and asked for public comments. After hearing no comments from the public, Mayor Pittman expressed his concern with access to any utilities on the property and Commissioner Gardner asked staff to comment on the project for the public. Manager Martin stated that there will be 60 apartment units; permits have been issued for 2 units but the final plans on the others had not yet been received. Community Development Director Travis Reese stated that this ordinance basically moves the public owned alley to be privately owned and the parcel of property will now be part of a leased development and as the properties are abandoned, it allows the owners to control it and be able to use the property more efficiently. Attorney Brandenburg confirmed the City will retain a utility access easement on this property and would have access to any utilities if needed.

Vice Mayor Thompson made a motion, seconded by Commissioner Gardner, to approve Ordinance No. 2024-04 on first reading and set the public hearing for April 15, 2024. Vote 5 yeas, 0 nays

5. Ordinance No. 2024-05 – First Reading - Ordinance No. 2024-05 abandons and vacates the City's interest in that portion of Haiti Avenue, located between Block 414 & 413 of the General Plan of Clewiston, Florida, as revised, subject to utility & access easement(s) to be maintained along the entire length of the existing easement/public right-of-way.

Mayor Pittman read Ordinance No. 2024-05 by title and asked for public comments. There were no comments from the public. Director Williams stated that the only thing in the easement/right-of-way was a water line and confirmed the electric was overhead. Commissioner Gardner stated that she feels it is great to put street right-of-ways that the City has never used for public access on the tax roll.

Commissioner Hyslope made a motion, seconded by Commissioner Gardner, to approve Ordinance No. 2024-05 on first reading and set the public hearing for April 15, 2024. Vote 5 yeas, 0 nays

RESOLUTIONS

6. **Resolution No. 2024-018** – Resolution No. 2024-018 approves the conditional use request from Meritas Package Liquor, LLC to allow the parcel located at 311 E. Sugarland Highway conditional use for packaged liquor sales.

Mayor Pittman read Resolution No. 2024-018 by title. Attorney Brandenburg stated that because this item was quasi-judicial in nature, anyone wishing to give testimony on this item would need to be sworn in. Brad Berkman, Pedro Penton, Joshua Remedios and Roberto Barerra were sworn in by Attorney Brandenburg. Attorney Brandenburg then asked the Commission to announce any ex parte discussions they may have had regarding this application and to disclose on the record at this time if there were any site visits or things of that nature. No disclosures were made by the Commission. Director Reese commented on the conditional use request stating that the property falls outside the 500' minimum requirement from a church but the conditional use request is not based on that factor. Mr. Brad Berkman with Greenspoon Marder, an alcohol beverage law firm representing the applicant, commented on the applicant's plan. Mr. Pedro Penton, the owner of Meritas Package Liquor, stated that he grew up in Clewiston and commented on the project concept and how he would like to contribute to the city that gave him the motivation to get his education. Mr. Penton's agent, Mr. Roberto Barrera, came forward and added additional comments on the project. Mayor Pittman asked for public comments. Ms. Lisa Walker came forward and after being sworn in by Attorney Brandenburg, stated that she feels "wine and spirit shop" would be better terminology than "liquor store". She expressed that she was in favor of this conditional use because there is no place for people to gather in this area.

Vice Mayor Thompson made a motion, seconded by Commissioner Hyslope, to approve Resolution No. 2024-018. Vote 5 yeas, 0 nays

Before the vote, Commissioner Gardner stated that she was prepared to vote no on this request but after hearing the presentation, she will vote in favor but will hold Mr. Penton accountable to do what was presented.

- 7. Deleted Resolution No. 2024-019 Resolution No. 2024-019 approves Zep Construction, Inc. Change Order No. 12, subject to FDOT approval, for additional construction related services to complete project details not included in the original scope but necessary to address specific needs for the Bridge over the C-21 Canal Project.
- 8. **Resolution No. 2024-020** Resolution No. 2020-020 accepts the proposal and approves the Land Lease 2024 Contract between the City of Clewiston and Ariel Avila in the total amount of \$16,720.00 per year for a term of five years, but may be extended for an additional five year term at the City's discretion.

Attorney Brandenburg clarified that when the lease agreement was updated, the additional 5year term was not included. He asked the commission if they wanted it to be included. The consensus of the commission was that they would like it to be included but would need to come back to the Commission for approval of the additional 5-year term. Mayor Pittman then read Resolution No. 2024-020 by title and asked for public comments. There were no public comments. Assistant Utilities Director Lynne Mila noted that there was a scrivener's error in the agenda report; the financial impact should be \$83,600 for the full term.

Commissioner Gardner made a motion, seconded by Commissioner Hyslope, to approve Resolution No. 2024-020.

Commissioner Gardner amended her motion, seconded by Commissioner Hyslope, to approve Resolution No. 2024-020 to include the additional 5-year term to be approved by the City Commission. Vote 5 yeas, 0 nays

9. Resolution No. 2024-021 – Resolution No. 2024-021 approves the re-appointment of Scott Jones and Luis Vallejo to the Community Redevelopment Advisory Board for an additional three year term.

Mayor Pittman read Resolution No. 2024-021 by title. Commissioner Hyslope suggested that this item be tabled until the Commission was ready to make appointments to fill the two vacancies.

Commissioner Hyslope made a motion, seconded by Commissioner Gardner, to table Resolution No. 2024-021 to the April 15, 2024 Commission Meeting. Vote 5 yeas, 0 nays

9A. Discussion of the City Manager's Job Performance and Possible Reconsideration of Contract

Vice Mayor Thompson stated that requests have been made to the City Manager for a POS system for three years plus, an employee handbook for over a year, a digital system to review and handle agendas, the unwillingness or inability of the City Manager to manage staff, the loss of a Florida Recreational Development grant for playground equipment at Trinidad Park with a private donor match. The grant was open for three years and because of inaction by the City, it was lost. He feels by doing that, the City jeopardized our ability to get any funding from the stakeholder in the future. Commissioner Hyslope stated that she feels the city is making great strides through great projects but they get overshadowed by these negative things and it is hurting the morale of City staff and the City is not able to shine and showcase the great things that have been done. Commissioner Gardner stated that she has had conversations with Manager Martin about her disappointment that the City lost a grant and jeopardized a community relationship on helping us in many areas of our community. She stated that the grant and match was almost all of what the rolled back rate would have been. The rolled back rate was about \$150,000 and this grant and match were each \$50,000. She stated that she does not know if we jeopardized the match but feels it certainly jeopardized the partnership. She also feels that this has created a lack of confidence in some decision making that needed to be done months ago. She also noted that the 4-page memo given to them in January did not include the grant information. Vice Mayor Thompson stated that we need to do everything we can to continue those relationships to help build the city. Mayor Pittman agreed that there have been shortcomings but there has also been a lot of positive things through grants and a lot of infrastructure that we have been able to replace and upgrade. Commissioner Gardner pointed out that a lot of the work done in Tallahassee and Washington, D.C. was because of the partnership we have and the legislators. Commissioner Edmonds stated that she is frustrated that the grant was lost and agrees the donations are needed.

Vice Mayor Thompson, made a motion, seconded by Commissioner Hyslope, to terminate the City Manager contract for the cause of nonfeasance for the reasons stated prior. Vote 3 yeas, 2 nays (Mayor Pittman and Commissioner Edmonds voted nay.)

Before the vote, Mayor Pittman stated that he would like to have time to review the contract. Commissioner Edmonds stated that she is not prepared to vote. Commissioner Gardner asked Attorney Brandenburg to comment. Attorney Brandenburg stated that he has seen the contract and there are two provisions; at will and for cause. He advised that if the Commission considers making a for cause termination, the reasons why should be made clear. He confirmed that Vice Mayor Thompson stated the reasons on the record and he believed the process was followed correctly. Manager Martin stated that he was not prepared to comment and would be very concerned if the termination was done for cause and would have to consider that before making any statement about that aspect. He added that if the Commission wishes to end his employment on a date certain, he would be willing to cooperate and do whatever is necessary to collaborate and work with the Commission. A for cause termination would make it very challenging for a professional transition. He asked the Commission to consider this to be a professional, courteous separation of employment based on the Commission opting to go in a different direction. He assured the Commission that he would do his best to make it be something that the community will benefit from and not be hurt by. Commissioner Gardner asked Attorney Brandenburg if he sees what was stated tonight as for cause. Attorney Brandenburg stated that he feels as though stating the loss of funds that could have been used would probably rise to that level and feels that Vice Mayor Thompson stated his reason for the motion on the record to a sufficient degree.

After the vote, there was discussion regarding a date certain for the termination. Manager Martin stated that he had no objection to continue to work through a transition with a reasonable timeframe. Vice Mayor Thompson suggested that Manager Martin continue working until a special meeting was scheduled to appoint an interim manager. A special meeting was scheduled for March 25, 2024 at 5:00 p.m. Manager Martin agreed to continue to work to that date.

Vice Mayor Thompson amended his motion, seconded by Commissioner Hyslope, to terminate the City Manager contract for the cause of nonfeasance for the reasons stated prior with the effective date of the termination to be March 25, 2024 at the Special Meeting or until the interim manager position is filled. Vote 3 yeas, 2 nays (Mayor Pittman and Commissioner Edmonds voted nay.)

- 10. Old Business Commissioner Edmonds noted that there is a car that parks in the grass at the Clewiston Inn and she feels that area looks really bad. Director Williams stated that he believed there was a code case for this property. Commissioner Gardner reminded the Commission that other businesses were required to pave parking lots because they couldn't park on the grass.
- 11. Departmental Monthly Activity Reports Presented for information only.

12. Comments from City Manager

a. Florida Legislative City Funding Requests Update
b. CPF Congressional Funding Update
c. Announcement of 2023 Employees of the Year

Manager Martin reviewed the highlights in his announcement letter regarding the Florida legislative and CPF congressional funding updates which reflect the City being recently approved for cumulative legislative and congressional appropriations for much need capital projects in the amount of \$10,472,689.00. He acknowledged the efforts of the City's state and federal elected representatives which made this a reality. Manager Martin next announced the 2023 Employees of the Year as Laurie Lindsey - General Services; James Estiverne - Police Department; Axel Navarro - Public Works Department; Sarai Cruz - Public Utilities Department; and Tom Lewis - Director. He stated they will be invited to the next meeting for formal recognition.

14. Comments from City Attorney

a. Lien Amnesty Program Update

Attorney Brandenburg stated that the lien amnesty 3-month program will begin on April 1 and continue through the end of June. Notification letters will be sent out by the end of this month.

15. Comments from the City Commission

Each Commissioner commented on how wonderful the Sugar Festival event was and Commissioner Gardner stated that she was looking forward to the meeting on Monday and having a discussion with Manager Martin before that.

Adjournment

Commissioner Gardner made a motion, seconded by Commissioner Hyslope, to adjourn the meeting at 6:48 p.m. The motion was approved unanimously.

<u>Personnel Present</u>: City Manager Randy Martin, Finance Director Shari Howell, Director of Operations Danny Williams, Police Chief Tom Lewis, Police Commander Dan Brophy, Community Development Director/Fire Chief Travis Reese, Laurie Lindsey, Leslie Almanza, Hope Wojack and City Attorney Dylan Brandenburg.

<u>Visitors Present</u>: Jerry Cochrane, Bob Pastula, Roly Gonzalez, Nanette Badger, James Murray, Janet Taylor and R.L. Carroll.

Additions/Deletions/Changes and Approval of the Agenda – Vice Mayor Thompson requested that an agenda item to reconsider his motion for cause termination made at the March 18, 2024 Commission Meeting be added to this agenda.

Vice Mayor Thompson made a motion, seconded by Commissioner Edmonds, to add an agenda item to this agenda to reconsider the motion for cause termination made at the March 18, 2024 Commission Meeting. Vote 5 yeas, 0 nays

Mayor Pittman stated that an additional agenda item to reconsider the motion for cause termination made at the March 18, 2024 Commission Meeting will be added to this agenda as Agenda Item No. 1 and the current Agenda Item No. 1 will now be Agenda Item No. 2.

Public Comments – Mr. Roly Gonzalez of 305 Via Del Aqua came forward and stated that he would like to know the reason why the recommendation to terminate was made at the March 18, 2024 Commission Meeting. Mayor Pittman stated that the reason was clear at the March 18, 2024 Commission Meeting.

1. Reconsideration of the Motion for Cause Termination made at the March 18, 2024 Commission Meeting

Vice Mayor Thompson made a motion to terminate City Manager Randy Martin for no cause and offer an opportunity to him to stay on as a consultant with the length of time to be determined by the new interim city manager. Commissioner Gardner asked City Attorney Brandenburg if the interim manager could make the decision of the number of days the manager could stay on as a consultant. Attorney Brandenburg stated that he feels that decision would generally be up to the commission but the commission could vest the authority to the interim manager. Commissioner Gardner stated that she would like to have a date certain for the length of time of the consultant and suggested that it be 30 days. Commissioner Hyslope seconded Vice Mayor Thompson's motion on the table for discussion. She stated that her concern is the taxpayers' dollars in paying two people; one to do a job and one to consult on that same job. Commissioner Gardner stated that she feels no more than 30 days is necessary for the transition to address the issues that were brought up at the March 18, 2024 meeting.

Vice Mayor Thompson amended his motion, seconded by Commissioner Hyslope, to terminate City Manager Randy Martin for no cause and offer an opportunity to him to stay on as a consultant for 30 days at the discretion of the interim city manager.

Mayor Pittman stated that he feels one reason the issues were not done is because we do not have the staff to do it. He does not know that 30 days will be long enough and suggested that the interim manager be able to extend that with the blessing of the commission. He reminded the Commission that there are many things going on and the budget discussions will be starting soon. He stated that Mr. Martin expressed that he would be interested in staying on as manager until April 1 to finish out the month and clean up items that he has been working on. He could then work with the interim manager for 30 days to May 1 and then give the interim manager an opportunity to extend that another 30 days. Commissioner Gardner stated that she does not feel that allowing Mr. Martin to stay as manager until April 1 is the right decision because of the many items that have not been resolved. She suggested the new interim manager start tonight and consult with Mr. Martin through the process and at the end of 30 days, if necessary, a recommendation for an additional 30 days would need to come back to the commission.

Vice Mayor Thompson amended his motion, seconded by Commissioner Hyslope, to terminate City Manager Randy Martin for no cause and offer an opportunity to him to stay on as a consultant for 30 days at the discretion of the interim city manager and at the end of 30 days, a recommendation for an additional 30 days would need to be brought back to the commission.

Commissioner Gardner asked for clarification that the termination would be at will with up to 30 days as a consultant, any longer would have to come back to the commission, but the interim city manager can make the decision before 30 days if everything is concluded before the 30 days. The Commission agreed and Mr. Martin stated that he thinks he understands the motion but wanted to make sure Attorney Brandenburg was satisfied that it is reflected accurately for the record. Attorney Brandenburg stated that he was satisfied with the explanation and suggested if the commission was prepared to vote, that they do so by roll call. Mr. Martin stated that he would like to make a statement after the board acts. Mayor Pittman stated that he was happy to hear the motion for the no cause termination but will not be supporting the motion because he does not support the termination. **He then called for a roll call vote on the motion**.

Commissioner Gardner – yea

Commissioner Hyslope – yea

Vice Mayor Thompson – yea

Commissioner Edmonds – yea

Mayor Pittman – nay

The motion passed with 4 votes in favor and 1 against.

Vice Mayor Thompson thanked Mr. Martin for staying on as a consultant and stated that his reconsideration was based on the total weight of Mr. Martin's tenure.

Mr. Martin read his statement regarding his end of service. He stated that it had been his honor to serve Clewiston since July 2019 as city manager. He expressed his appreciation to his wife and family, the citizens, partners to the Clewiston community, past and current city employees, advisory board members and other city officials including the city attorney. He stated that based on the consensus feedback received today, he is convinced that Clewiston today is in a much better place as a local government entity and community than it was in the summer of 2019 due to the collective efforts of the Clewiston team during his tenure. He highlighted achievements made including the stability for city financials, improved employee retention and benefit enhancements, improvements in economic development positioning and completion of substantial progress while securing funding for a significant number of major infrastructure improvements. Next, he thanked the past and present city commissioners that brought him here. He stated that public service is his life's calling and he will walk away with a clear mind and no resentments for anyone and expressed his appreciation for the time he was entrusted with the responsibility.

2. Appointment of Interim City Manager

Commissioner Gardner made a motion, seconded by Commissioner Hyslope, to make Danny Williams, our Utilities Director, our Interim City Manager. Vote 5 yeas, 0 nays

Director Williams agreed to accept the position. Attorney Brandenburg encouraged the commission to discuss the compensation, duration of the position, and if they would like to direct staff to proceed with an RFP process. Commissioner Gardner stated that she would like a recommendation from Finance Director Howell based on her research of what the average salary is for a city manager with experience in a rural area. She feels it is important to do the transition and get through the budget season and discuss the advertising process to fill the city manager position at a later time. Mayor Pittman stated that he feels they should have the salary information at the next meeting on April 15 and have a game plan for advertising because he feels the process is going to take some time. Commissioner Gardner expressed that she feels the focus for the next 30 days should be on the transition. Mayor Pittman stated that the salary information will be provided at the next meeting and then possibly at the May meeting they will have a game plan for the advertisement. Commissioner Edmonds thanked Mr. Martin for all of his help to her as a new commissioner. Mayor Pittman thanked Mr. Martin for his service and stated that he appreciates that the City is better off and knows the city appreciates it.

Adjournment

Commissioner Gardner made a motion, seconded by Commissioner Hyslope, to adjourn the meeting at 5:37 p.m. The motion was approved unanimously.

James Pittman, Mayor

PROCLAMATION

NATIONAL DAY OF PRAYER

WHEREAS, the National Day of Prayer was created in 1952 by a joint resolution of Congress and signed into law by President Harry S. Truman and, in 1988, the law was unanimously amended by both the House and the Senate and signed into law by President Ronald Reagan on Thursday, May 5, 1988, designating the first Thursday of May as a day of national prayer; and

WHEREAS, prayer brings people together and builds bridges between opposing persons and even political parties; and

WHEREAS, throughout the history of our state and nation, we have humbly prayed for guidance, comfort, and protection where needed, and have given thanks for our many blessings which God has graciously bestowed on this nation since its inception; and

WHEREAS, prayer has comforted us in times of sorrow, and given us strength and hope for the future. We ask God to keep His hand upon us and bless the great State of Florida and the United States of America; and

WHEREAS, we continue to give thanks for the men and women of the military that are defending our freedom and we humbly ask God for their protection. We pray for peace throughout the world; and

WHEREAS, 2024 marks the 73rd anniversary of the consecutive annual observance of the National Day of Prayer: and,

WHEREAS, on May 2nd, Americans will unite at specific times in prayer for our nation and state to acknowledge our dependence upon God, to give thanks for the many blessings our country has received from Him, to recognize our need for personal and corporate repentance and renewal and to invoke God's blessings upon our leaders and ask God to protect and bless our nation;

NOW, THEREFORE, we, the Mayor and the City Commission of the City of Clewiston, Florida, do hereby pray for unity in America and extend greetings and best wishes to all observing May 2, 2024 as the *National Day of Prayer*.

James Pittman, Mayor

PROCLAMATION

Kids to Parks Day: Saturday, May 18, 2024

WHEREAS, May 18th, 2024 is the fourteenth Kids to Parks Day organized and launched by the National Park Trust, held annually on the third Saturday of May; and

WHEREAS, Kids to Parks Day empowers kids and encourages families to get outdoors and visit local parks, public lands and waters; and

WHEREAS, we should encourage children to lead a more active lifestyle to combat issues of childhood obesity, diabetes, hypertension and hypercholesterolemia; and

WHEREAS, Kids to Parks Day will broaden children's appreciation for nature and outdoors; and

WHEREAS, Kids to Parks Day will recognize the importance of recreating responsibly while enjoying the benefits of the outdoors.

NOW THEREFORE, we, the City Commission of the City of Clewiston, Florida, do hereby proclaim May 18th, 2024 as Kids to Parks Day in the City of Clewiston and encourage all of our residents to celebrate by taking the children in their lives to a neighborhood, city, state or national park.

IN WITNESS WHEREOF, I have set my hand on this the 15th day of April, 2024.

CITY OF CLEWISTON City Commission Agenda Item Report

CONSENT AGENDA ITEM REPORT F Commission Meeting Date: April 15, 2024

Subject: Resolution No. 2024-022

1. Background/History: Resolution No. 2024-022 approves PO #25841 for the emergency purchase of two three-phase Padmount 2000 KVA transformers.

In February, staff determined that two 2000 kV transformers would be needed for the delivery of electrical service to a new commercial customer account, the South Florida Water Management District. One transformer will be placed in service and the second is for inventory. Staff invited quotes from several vendors. Emerald Transformer was the sole vendor to respond. The order was placed immediately, to secure the equipment and guarantee timely delivery.

The customer will reimburse the city for the cost.

2. Financial Impact: \$87,193.60

RESOLUTION NO. 2024-022

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF CLEWISTON, FLORIDA, RATIFYING THE EMERGENCY PURCHASE OF ELECTRICAL EQUIPMENT FOR THE SOUTH FLORIDA WATER MANAGEMENT DISTRICT FIELD OFFICE, AND AUTHORIZING THE ATTACHED PURCHASE ORDER.

WHEREAS, the City Ordinance Sec. 2-79 (c) authorizes purchasing without the competitive bidding method in cases of Emergency; and

WHEREAS, in February, 2024, City staff determined the purchase of certain electrical equipment was necessary to provide electrical service to a new commercial customer; and

WHEREAS, Staff determined an emergency existed because an immediate order was necessary to secure the equipment and guarantee timely delivery; and,

WHEREAS, the Interim City Manager approved the Emergency purchase; and

WHEREAS, it is necessary for the Commission to approve the Emergency, the Emergency purchase and the payment to the vendor to ensure the safe, continuous delivery of electrical service to the commercial customer.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF CLEWISTON, FLORIDA, that:

- **SECTION 1.** The City Commission hereby approves the determination by the City Manager of the existence of an Emergency, and the Emergency Purchase of the Electrical Equipment.
- **SECTION 2**. The attached purchase order to Emerald Transformer is hereby approved, and the City Manager and Finance Director are authorized and directed to pay for the equipment.

PASSED and ADOPTED by the City Commission of the City of Clewiston this 15th day of April, 2024.

To: Clewiston Commission

From: Danny Williams, Interim City Manager

Subject: Approval of PO#25841

As Interim City Manager, I determined that immediate purchase of the 2000 KVA transformers from Emerald Transformer was necessary to secure the equipment and guarantee delivery for the customer. Emerald was the only vender to respond to our request for a proposal, and by purchasing two transformers we were able to achieve the maximum cost benefit.

This is a budgeted purchase. South Florida Water Management District will reimburse the city for the cost.

CITY OF CLEWISTON City Commission Agenda Item Report

AGENDA ITEM REPORT NO. 2 Commission Meeting Date: April 15, 2024

Subject: Ordinance No. 2024-04 – PUBLIC HEARING - Final Reading – 5:05 p.m.

1. Background/History: Ordinance No. 2024-04 abandons and vacates the alley, located in Block 424 of the General Plan of Clewiston, Florida, as revised, located and lying between Lots 1-44.

The applicant, Brian Sullivan, has requested that the alley located on Block 424 of the General Plan of Clewiston, Florida, at 573 Commercio Street be abandoned. Mr. Sullivan is planning to build a multi-tenant apartment building on that location, and owns 41 of the 44 lots on the block.

The City Planning & Zoning Board met on February 21, 2024 and made a motion recommending the alley abandonment with an easement on a voice vote with 5 ayes, 0 nays.

Ordinance No. 2024-04 was unanimously approved on first reading by the City Commission on March 18, 2024.

2. Financial Impact: N/A

ORDINANCE NO. 2024-04

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF CLEWISTON, FLORIDA, ABANDONING AND VACATING THE ALLEY, LOCATED IN BLOCK 424 OF THE GENERAL PLAN OF CLEWISTON, FLORIDA, AS REVISED, LOCATED AND LYING BETWEEN LOTS 1-44.

WHEREAS, the City of Clewiston received an application for the abandonment of an alleyway located within Block 424 as recorded Plat Book 2 Pages 71 through 78 Public Records of Hendry County Florida attached hereto as Exhibit A; and

WHEREAS, it is the desire of the City to abandon the right of way while reserving a public utility easement over the same; and

WHEREAS, the City of Clewiston has the ability to vacate and abandon platted easements and alleyways within the municipal limits that are not a part of the State or County Road system pursuant to Florida Statutes Chapter 166; and

WHEREAS, the City Planning and Zoning Board met on February 21st, 2024 and recommended approval of the application to abandon the alleyway while reserving a non-exclusive public utility easement over the same land.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF CLEWISTON, FLORIDA, AS FOLLOWS:

SECTION 1. ABANDONMENT. The City finds and determines that it is in the best interest of the City to abandon and vacate the alley described in Section 2, while reserving a non-exclusive public utility easement more particularly described in Section 3 over the same land.

SECTION 2. LEGAL DESCRIPTION OF ALLEY.

A. A 20-foot-wide strip of land marked as alley in Block 424 of the general plan of Clewiston, Florida, as revised September 7, 1937, according to the plat thereof recorded in plat book 2, pages 71 through 78, inclusive, of the public records of Hendry County, Florida.

SECTION 3. RESERVATION OF PUBLIC UTILITY EASEMENT. The City of Clewiston hereby reserves an overlying non-exclusive easement dedicated in perpetuity to the public for the installation, operation, maintenance, repair, expansion and replacement of the utilities, including but not limited to potable water pipelines, sewer pipelines, reclaimed water pipelines, electric powerlines, telecommunication lines, cable television lines, gas lines and related appurtenances over the area described in Section 2. No buildings, structures, improvements, trees, walls, or fences shall be installed within this easement without the prior written approval of the City of Clewiston Utilities Department, its successors, and assignees.

SECTION 4. EFFECTIVE DATE. This ordinance shall take effect immediately upon its passage and approval consistent with all requirements of general law.

SECTION 5. CONFLICT. If there is ever determined to be a conflict between this ordinance and State law, this ordinance shall be considered null and void.

PASSED on first reading by the City Commission on March 18, 2024.

PASSED AND ADOPTED on second and final reading by the City Commission on ______, 2024.

ORDINANCE NO. 2024-05

AN ORDINANCE OF THE CITY COMMISSION OF THE CITY OF CLEWISTON, FLORIDA, ABANDONING AND VACATING ITS INTEREST IN THAT PORTION OF HAITI AVENUE, LOCATED BETWEEN BLOCK 414 & 413 OF THE GENERAL PLAN OF CLEWISTON, FLORIDA, AS REVISED. SUBJECT TO UTILITY & ACCESS EASEMENT(S) TO BE MAINTAINED ALONG THE ENTIRE LENGTH OF THE EXISTING EASEMENT; PROVIDING FOR RECORDING; PROVIDING AN EFFECTIVE DATE; AND FOR OTHER PURPOSES.

WHEREAS, the City of Clewiston received an application for the abandonment of that portion of Haiti Avenue located between Blocks 414 & 413 as recorded Plat Book 2 Pages 71 through 78 Public Records of Hendry County Florida attached hereto as **Exhibit A**; and

WHEREAS, it is the desire of the City to abandon the right of way while reserving a public utility easement over the same; and

WHEREAS, the City of Clewiston has the ability to vacate and abandon platted easements and alleyways within the municipal limits that are not a part of the State or County Road system pursuant to Florida Statutes Chapter 166; and

WHEREAS, the City Planning and Zoning Board met on February 21st, 2024 and recommended approval of the application to abandon the indicated portion of roadway while reserving a non-exclusive public utility easement over the same land.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF CLEWISTON, FLORIDA, AS FOLLOWS:

SECTION 1. ABANDONMENT. The City finds and determines that it is in the best interest of the City to abandon and vacate that portion of Haiti Avenue described in Section 2, while reserving a non-exclusive public utility easement more particularly described in Section 3 over the same land.

SECTION 2. LEGAL DESCRIPTION OF ALLEY.

A. That portion of a 60-foot-wide strip of land marked as Haiti Avenue between Blocks 413 & 414 of the general plan of Clewiston, Florida, as revised September 7, 1937, according to the plat thereof recorded in plat book 2, pages 71 through 78, inclusive, of the public records of Hendry County, Florida and as indicated in Exhibit A.

SECTION 3. RESERVATION OF PUBLIC UTILITY EASEMENT. The City of Clewiston hereby reserves an overlying non-exclusive easement dedicated in perpetuity to the public for the installation, operation, maintenance, repair, expansion and replacement of the utilities, including but not

limited to potable water pipelines, sewer pipelines, reclaimed water pipelines, electric powerlines, telecommunication lines, cable television lines, gas lines and related appurtenances over the area described in Section 2. No buildings, structures, improvements, trees, walls, or fences shall be installed within this easement without the prior written approval of the City of Clewiston Utilities Department, its successors, and assignees.

SECTION 4. EFFECTIVE DATE. This ordinance shall take effect immediately upon its passage and approval consistent with all requirements of general law.

SECTION 5. CONFLICT. If there is ever determined to be a conflict between this ordinance and State law, this ordinance shall be considered null and void.

PASSED on first reading by the City Commission on March 18, 2024.

PASSED AND ADOPTED on second and final reading by the City Commission on ______, 2024.

Dave,

YES. After plugs were installed and pumps set, we excavated and hauled off material from bottom of canal, approximately two feet below proposed grade. I will schedule Tommy ASAP for inspection.

Tom,

It didn't appear any additional material was hauled off other than the built-up dams. Was there?

Also, I'd like to see something from the Drainage District before approving the Base invoice. Have you had Tommy out for a walk-thru?

Thanks, Dave

We received Ridgdill's invoice for the culvert repair. Since the contract says Johnson Engineering (JE) is the contact for the work, should I send to them for their approval? Typically, this is what I would do. The amount of the invoice is for more than the lump sum in the contract and I don't see any change orders.

SCOPE OF PROFESSIONAL SERVICES FOR VENTURA AVENUE ROAD RESURFACING DESIGN

MARCH 25, 2024

GENERAL

CONSULTANT shall provide and perform the following professional services, which shall constitute the general scope of Basic Services under the covenants, terms, and provisions of the City of Clewiston Continuing Agreement for Professional Services, executed October 20, 2020.

On July 17th, 2023, The City approved Work Order No. 2. Work Order No. 2 was for the resurfacing of Ventura Avenue Road from Deane Duff Avenue to W.C. Owen Avenue in its current configuration. On December 18, 2023, Johnson Engineering presented several conceptual plans to redesign Ventura Avenue. The City approved a concept that includes a round-a-bout at the intersection of Ventura Avenue and Central Avenue. The concept also includes the addition of 13-foot sidewalks on both sides of the road and the incorporation of new landscaping. These elements were not included in the original Work Order. This proposed scope of work is for the additional work necessary to design the road in line with the concept approved by the City. The project is located in the City of Clewiston in Hendry County, Florida. The purpose of this project is to resurface Ventura Avenue from W.C. Owen Avenue to Dean Duff Avenue, a distance of 1,320 feet (0.25 miles). The Ventura Avenue intersection with Central Avenue will be converted to a roundabout and angled on-street parking will be provided along both sides of the roadway. Task 4 remains unchanged. Deleted items are stricken through while additions are shown in **bold text.**

CONSULTANT and CITY agree to the following project assumptions/conditions:

While this work may fall under the exemption requirements of the South Florida Water Management District (SFWMD). The permitting will include assisting with an application and responding to two (2) requests for additional information (RAIs). If there are more than two (2) RAIs, response to them will be considered an additional expense to be negotiated at that time.

CONSULTANT may utilize sub-consultants in performance of the work described herein. Subconsultants are anticipated for geotechnical evaluation, survey, and Subsurface Utility Exploration (SUE) as necessary.

Construction Engineering Inspection is not included in this contract.

Lighting design is not included in this contract. Lighting design may be provided; however, it will be considered an additional expense to be negotiated at that time.

Landscape design is not included in this contract. Landscape design is understood may be provided by others under separate contract.

TASKS

In accordance with the General Scope of Basic Services stated herein, the CONSULTANT shall perform services necessary to complete the following tasks:

Task Index

- I.0 Survey
- 2.0 General Design
- 3.0 Post-Design Services
- 4.0 Geotechnical

TASK I.0 SURVEY

Survey services in support of the roadway design shall be provide by a sub-consultant asneeded. Services provided shall be as descibed in Attachement I to this Exhibit A.

Survey work shall be performed under the responsible charge of a Professional Surveyor and Mapper registered in the State of Florida and shall be accomplished in general accordance with the Florida Department of Transportation (FDOT) procedures. CONSULTANT shall perform the following survey services in support of the roadway design:

Task I.I	CONSULTANT shall establish horizontal and vertical control points at approximately 500'
Task 1.1	-Consol individual and vertical control points at approximately soo
	intervals through the project limits.

- Task 1.2The horizontal data for this project will be in feet and shall be projected on the Florida
State Plane Coordinate System, East Zone, NAD83(2011). The basis for the horizontal
control will be published National Geodetic Survey control monumentation.
- **Task 1.3** The vertical data for this project will be in feet and shall be referenced to the North American Vertical Datum of 1988 (NAVD88). The basis for the vertical control will be published National Geodetic Survey control monumentation.
- **Task 1.4** CONSULTANT shall provide cross-sections of the roadway at 100' intervals, extending to the limits of the occupied and maintained right-of-way.
- Task 1.5CONSULTANT shall collect data for existing visible above ground improvements and
utilities within the right-of-way including, but not limited to, street signs, electric services,
telephone service, driveways, fences, etc.
- **Task 1.6** CONSULTANT shall collect data for culverts, cross drains, and drainage structures within the occupied and maintained right-of-way.
- Task 1.7CONSULTANT shall collect detailed topographic data at street intersections, stream
crossings, ditches, and other conveyances. This shall include additional cross-sections,
inverts, headwalls, culvert size, drainage structures, cross culverts, etc.

TASK 2.0 GENERAL DESIGN

CONSULTANT shall perform the general tasks necessary for the proper performance of the project. These tasks are not explicitly detailed in the other tasks of this scope and include, but are not limited to, general coordination and meetings, contract maintenance, providing progress updates, and attendance at public meetings.

CONSULTANT shall perform necessary design services in accordance with guidelines established in the Florida Department of Transportation (FDOT), Manual of Uniform Minimum Standards (MUMS aka "Florida Greenbook"), and if applicable the AASHTO Guidelines for Geometric Design of Low-Volume Roads. Any deviations from the Greenbook or AASHTO Guidelines shall require concurrence and approval from CITY as the owning, operating, and maintaining entity. CONSULTANT shall perform the following roadway analysis and design services:

- **Task 2.1** CONSULTANT shall perform general roadway analysis and design services in support of the roadway plan production. Such services may include, but are not limited to, evaluation of drainage impacts, roadside safety issues, roadside safety treatments, conflicts with other existing features and facilities, and determination of the corresponding accommodations. The evaluation of drainage impacts will include permitting through South Florida Water Management District for treatment facilities with up to two requests for additional information.
- **Task 2.2** CONSULTANT shall review geotechnical data collected under Task 4, below and perform a pavement analysis including evaluation of the existing pavement condition and determination of proposed pavement section in accordance with the FDOT Flexible Pavement Design Manual. CONSULTANT shall also evaluate deficient areas within the existing roadway to determine if and where remedial actions are necessary and provide recommendations to CITY.
- **Task 2.3** CONSULTANT shall prepare and submit to the CITY and FDOT an opinion of probable cost (OPC) in accordance with the Association for the Advancement of Cost Engineering (AACE) Class 4 standards to be submitted to the CITY at the 60%, 90%, and 100% submittal stages. The OPC shall be based on calculated plan quantities and the best available unit cost data. Unit cost data may be taken from recent local construction bids and/or the FDOT unit cost history.
- Task 2.4CONSULTANT shall perform quality assurance/quality control (QA/QC) reviews at each
submittal stage in accordance with the CONSULTANT's Quality Practices Manual.
- Task 2.5CONSULTANT shall prepare the final bid documents and specifications associated with
the project. The document will be reviewed by both the CITY and FDOT.
- Task 2.6The CONSULTANT shall prepare a Typical Section Package, including one (1)
typical section for Ventura Avenue.
- Task 2.7 The CONSULTANT shall perform a final roundabout operational analysis that recommends a functional geometric layout that is cost effective, safe and meets the needs of the community. A final roundabout design will be recommended for implementation, and all geometric and operational analysis will be documented in a final roundabout report.

Task 2.8The CONSULTANT shall prepare the documentation necessary to gain CITY
approval of all appropriate Design Variation Memorandums, Formal Design
Variations and/or Design Exceptions.

A Project Design Variation Memorandum (FDM Form 122-B) shall be prepared to document all non-controlling design elements for a project that do not meet FDOT criteria. Those elements requiring a more detailed analysis, as per FDM Section 122.2, shall be submitted as Formal Design Variations or Design Exceptions.

- Task 2.9 Design Report
- Task 2.10 Plans included in the various plan submittals shall be in general accordance with the FDM for the Phase II (60%), Phase III (90%), and Phase IV (100%) submittals. Plan submittals will be made at these stages for review and comment by the CITY and FDOT. For Phase II, Phase III, and Phase IV plan submittals, the deliverables shall include one PDF file of the plans.
 - Temporary Traffic Control Plans
 - Summary of Drainage Structures
 - Signing and Pavement Marking Plans (3 sheets)
 - Signalization Plans (pedestrian signals at W.C. Owen Avenue)

CONSULTANT shall prepare construction plans (utilizing AutoCAD Civil 3D) and technical specifications (using Microsoft Word) for the proposed improvements in general accordance with the FDOT Standard Specifications, FDOT Design Manual (FDM), FDOT Design Standards, and the Manual of Uniform Traffic Control Devices (MUTCD).

The final construction plans may include, but are not limited to, the following eighteen estimated sheets:

- Cover Sheet I sheet
- Key sheet I sheet
- Summary of pay items I sheet
- Typical sections 2 sheets
- General notes/pay item notes I sheet
- Summary of quantities I sheet
- Drainage/miscellaneous details (as necessary) I sheet
- Summary of drainage structures I sheet
- Project layout I sheet
- Plan sheets (including Signing and Pavement Marking) 4 sheets estimated
- Drainage structure cross sections I sheet
- Cross sections (as necessary) 2 sheets
- Erosion control plan I sheet
- Summary of Drainage Structures I sheet
- Temporary Traffic Control Plans 2 sheets
- Signing and Pavement Marking Plans 3 sheet

• Signalization Plans – I sheet

Plans included in the various plan submittals shall be in general accordance with the FDM for the 60%, 90%, and 100% submittals. Plan submittals will be made at these stages for review and comment by the CITY and FDOT. 60% submittal to include plan view only. The deliverables shall include:

- Five (5) sets of 11"x17" plans
- One .pdf file of the plans provided on a CD

CONSULTANT shall identify and coordinate with utility agency owners (UAO) as it pertains to the proposed roadway improvement impacts on existing utilities. Roadway construction plans will be distributed to the UAO's at the 60%, 90%, and 100% design phases. CONSULTANT shall review the UAO's proposed relocation plans for general conformance and compatibility with the proposed roadway improvements. This scope does not include any utility design or construction plan production; that remains the responsibility of the various UAO's. Maintenance of Traffic (MOT) plans shall be prepared and submitted by the awarded Contractor for review and approval during the post-design phase.

TASK 3.0 POST-DESIGN SERVICES

CONSULTANT shall provide assistance during bidding and construction phases of the project. Assistance during bidding shall include assistance in bid package preparation, attendance at pre-bid meeting, and contractor bid evaluation as necessary. Assistance during construction shall include attendance at the pre-construction meeting, attendance at up to four (4) regular progress meetings as necessary, review of submittals and shop drawings, and providing plan interpretations and clarifications.

CONSULTANT shall also prepare Record Drawings based upon mark-ups and as-built survey information provided by the contractor. CONSULTANT shall submit Record Drawings to City and FDOT.

Construction Engineering and Inspection services are not included as part of this scope of services.

TASK 4.0 GEOTECHNICAL

Geotechnical services in support of the roadway design shall be provided by a sub-consultant as-needed. Services provided shall be as described in Attachment 2 to this Exhibit A.

RE: Ventura Ave. from S. Dean Duff Ave. to NE W.C. Oven Ave.

SURVEY SCOPE

A topographic survey and CAD base map of the existing conditions along the approximate 0.3 mile of project corridor in downtown Clewiston. The corridor will be mapped up to the existing right of way and will include up to 150' north and south along Central Ave. The surveying scope of services includes the following:

- Establish horizontal coordinates on control points throughout project area. Horizontal datum will be the Florida State Plane Coordinate System, West Zone, North American Datum of 1983 (NAD 83). Control will be placed at a maximum distance of 500 feet apart.
- 2. Establish elevations on project control. Vertical control to be elevated by differential leveling procedures with ties to at least two published benchmarks. Elevations will be relative to the North American Vertical Datum of 1988 (NAVD 88).
- 3. Calculate and establish a Survey Baseline along project corridor.
- 4. Research public records for plat, deeds, encumbrances, plans, and any right of way information to map property lines, utility, drainage, electric power, and canal easements and rights-of-way along the proposed route.
- 5. Recovery of property corners and right of way evidence sufficient to relate property lines; utility, drainage, electric power, and canal easements; and rights-of-way along the proposed route.
- Collect data sufficient to define the topography within the project area and locate all above ground improvements and visible evidence of underground improvements within or affecting the project limits both horizontally and vertically. Location of improvements to include the location of trees greater than four (4) inches in diameter (DBH), identified as to diameter and type.
- 7. Create digital terrain model (DTM) of topographic data.
- 8. Produce digital deliverables of survey design data in MicroStation Open Roads format.
- 9. Produce signed and sealed survey report to accompany digital deliverables.

AIM Survey – Ventura Ave. 2/29/2024

SUE SCOPE

Perform an estimated 0.3 miles (includes 300' on Central Ave.) of utility designates (Quality Level-B) along project corridor along with an estimated 6 (Quality Level-A) test holes.

Survey services to relate SUE information to project datums is included in this estimate. Summary of Verified Utilities exhibit will be produced and certified by a licensed land surveyor.

PROPOSED FEE

Total proposed fee for Survey and SUE services: \$48,162.62

Attention: Mr. Danny Nelson P.E. Via E-mail: Danny.Nelson@tetratech.com

Subject: Fee Schedule Proposal for Pavement Coring Services Site Located at E Ventura Ave. From Deane Duff Ave. to W C Owens Ave., Hendry County, Florida

Dear Mr. Danny Nelson P.E.:

Ardaman & Associates, Inc. (Ardaman) is pleased to submit this fee schedule proposal for Pavement Coring services for the proposed project in subject. We will perform ten (10) pavement cores and prepare a report summarizing our findings. The report will include the location of the cores as well as the pavement layer thicknesses.

Based on our limited review of the project, we suggest an initial budget of \$4,750. The actual cost of the testing services will be a function of the quantities of work performed according to the unit rates presented on the attached fee schedule.

Scheduling should not be coordinated through our field personnel. Scheduling can be done by contacting our scheduling department or by calling our Fort Myers office at (239) 768-6600.

We appreciate the opportunity to submit this Fee Schedule Proposal to you and look forward to working with you on this project.

If you have any questions, or if we can be of further assistance, please do not hesitate to contact us.

Very truly yours, ARDAMAN & ASSOCIATES, INC. Florida Registry 5950

AGENDA ITEM REPORT NO. 8 Commission Meeting Date: April 15, 2024

Subject: Appointments/Re-appointments to the Community Redevelopment Advisory Board

- 1. Background/History: The City of Clewiston Community Redevelopment Advisory Board (CRAB) shall consist of seven (7) members appointed by the Mayor and confirmed by majority vote of the City Commission for three (3) year terms. Appointments/re-appointments are needed to fill 4 seats on the board. Two of the four seat vacancies resulted from the term expiration of board members Scott Jones and Luis Vallejo in February 2024. Scott Jones and Luis Vallejo have agreed to serve another three year term if re-appointed. Ian Stone, Lisa Walker, Ramon L. Carroll and Edilberto Vazquez, Jr. have also applied to serve and appear to be qualified.

"Experience the Honors Difference"

Find our Equal Access / Equal Opportunity statement online at: stcollege.edu/eaeo Dear Santa Fe College Hall of Fame Selection Committee:

The most satisfying Honors students are those that surprise you in the best ways possible. It is my great pleasure to recommend Ms. Lisa Walker for the Santa Fe College Hall of Fame. Lisa continues to surprise me with her creative and critical thinking, and with her engagement, involvement, and commitment to the College and the community.

Lisa was brought to my attention in Summer 2012 by Dr. Panos Alexakos, a colleague who had her as a student in his PHI2010 Introduction to Philosophy course the previous semester. Dr. Alexakos strongly urged me to consider Lisa for membership in the Honors Program in spite of her AA cumulative GPA falling below our 3.5 threshold for admission. Usually reticent with praise for students, he spoke adamantly about her critical thinking and reasoning abilities. Where she needed mentoring and the help of Honors was in her ability to focus her thoughts into coherent arguments, especially in writing. Out of respect for Dr. Alexakos' recommendation and evaluation, I admitted Lisa to the Program and enrolled her in several Fall 2012 Honors courses, my Honors American Humanities included.

In my Honors American Humanities, students were charged with researching a local history / humanities topic and presenting their findings in a research poster format. Where the majority of students selected the obvious (e.g., University of Florida, the Rosewood massacre, local historic sites) and created functional posters, Lisa was creative in both her choice of topics and in her poster design. Her poster, "The Yoruba Light in Gainesville," was excellent and is used today as a model of the format. It was an award winner at the 2013 World Humanities Expo and was presented at the 2013 Florida Collegiate Honors Council Conference.

The evolution of her topic and the passion with which she pursued it reflects the thought process and personality that make Lisaa an Honors student. Her topic began with a tour of the Harn Museum of Art, where she viewed an exhibit of works by self-taught local artists, including Baba Ona Ogunleye. Her topic morphed from an examination of local artists to a biographical sketch of Baba Ona to an exploration of multiple perspectives on the local Yoruba community. Ultimately, to complete her research, she interviewed and developed friendships (which she still maintains) with Baba Ona Ogunelye, an Americanborn practitioner of Yoruba culture and Ifa priest; Omito Salewa Ajamu, a Gainesville artist and priestess of Yemoja, the Yoruba water diety; Dr. Naana Horne, Santa Fe College professor of English originally from Ghana and also Queen Mother; Dr. Susan Cooksey, Harn Museum Curator of African Art; and Dr. Robin Poynor, University of Florida professor of Art History and African art and Yoruba culture specialist. In short, Lisa sees ideas as adventures, to be enjoyed and followed wherever and to whomever they may lead her.

As a result of Honors, Lisa has had opportunities to have meaningful interactions with several speakers who have visited Santa Fe. For example, Lisa had two interactions with Raul Villarreal, a New York-based artist and author of *Hemingway's Cuban Son: Reflections on the Writer by His Longtime Majordomo*. This book documents Ernest Hemingway's life in Cuba at *La Finca Vigia* and his enduring friendship with Rene Villarreal, Raul's father and the caretaker of *La Finca Vigia*. Villarreal visited SF in October 2012 and again in June 2013. The October visit was to exhibit new paintings inspired by personal memories and experiences, the assimilation of other cultures, and old family photographs, and to lecture about his book. Lisa met Villarreal during my Honors American Humanities class visit to the art exhibition. The class was discussing their interpretations of the work, when in walked the artist. What ensued was an hour-long discussion of style, technique, theme, and meaning. The June visit was to help SF celebrate the anniversary of Hemingway's birth. Again, Villarreal spoke about his book, specifically connecting the 13-member state/community colleges are allowed to nominate only one student from their Honors Program. Of the 200+ members of The Honors Program at Santa Fe College, Lisa was my nomination. Of the thirteen candidates, Lisa was chosen as the recipient of the \$1,000 scholarship. In short, she is the best representative of Honors education at the 2-year level in the state of Florida!

The best students at Santa Fe College are inquisitive, seeking knowledge, enrichment, and engagement for their own sake. They connect with their professors, student peers, college campus, and community. During her time at SF, Lisa Walker has taken intellectual and creative chances; has taken advantages of the opportunities for enrichment and engagement offered by Honors and Student Life; and has answered the call of her community for volunteerism and leadership. As a result, Lisa has had transformative encounters with ideas and especially with individuals that have made the college and community a better place and that have left her a better student and person than the one who entered in 2012.

I urge the selection committee to give Lisa Walker your strongest consideration for induction in the Santa Fe College Hall of Fame!

Cordially,

EW

ARTICLE VII. CITIZEN BOARDS AND COMMITTEES

Sec. 7.01. Authority.

The City Commission shall create, establish or appoint, as may be required by the laws of the State of Florida, such citizen boards and committees as it deems necessary to carry out the functions and obligations of the City. The City Commission shall, by ordinance, prescribe the purpose, composition, functions, duties, accountability and tenure of each board, Commission and committee, where such are not prescribed by law. Individuals may be appointed to serve on more than one (1) board, Commission or committee. The City Commission may, by ordinance, consolidate the functions of the various boards, Commissions or committees of the City. The City Commission may appoint certain ad hoc committees by resolution.

(Ord. No. 2012-02, § 2, 6-18-2012)

Sec. 7.02. Qualifications.

Members of all boards, Commissions and committees must be qualified voters and be residents of the City of Clewiston for at least six (6) months preceding the date of appointment, be knowledgeable in the affairs of the City and be knowledgeable in the functions and activities provided for in this article.

(Ord. No. 2012-02, § 2, 6-18-2012)

Sec. 7.03. General.

- (a) *Open Meetings*. All meetings of any board, Commission or committee created, established or appointed by this Charter or the City Commission shall be open to the public, unless otherwise permitted by law and shall be subject to both current and future laws of the State of Florida concerning public meetings.
- (b) Appeals to City Commission. An appeal may be taken to the City Commission from any decision of any board, Commission, committee or other body except from decisions where the appeal is otherwise prescribed by law.
- (c) *Compensation*. Subject to the provisions of any law of the State of Florida or this Charter to the contrary, all members of any board, Commission, committee or other body will serve without compensation but may be reimbursed for any necessary expenses as a result of their work.
- (d) *Minutes*. All boards, Commissions or committees of the City shall keep and maintain minutes of any proceedings held and shall submit minutes of such proceedings to the City Clerk.
- (e) *Exclusion of City Officers and Employees.* Neither officer of the City nor any person who holds a compensated appointive position with the City shall be appointed to any board, Commission or committee created or established by this charter other than in an ad hoc advisory committee.

AGENDA ITEM REPORT NO. 9A Commission Meeting Date: April 15, 2024

Subject: Consideration of authorizing City Attorney to retain labor counsel as needed on behalf of city

1. Background/History: Charter section 5.06(d) contemplates the hiring of additional counsel as may be needed from time to time. As the City has received a representation petition from a union to represent the police department I would recommend the city retain a labor counsel to assist with those negotiations.

City Attorney Dylan Brandenburg obtained pricing from three different firms, any of which he believes could handle the limited matter.

Dylan Brandenburg, Esq. City Attorney City of Clewiston 115 W Ventura Ave Clewiston, FL 33440

Re: Legal Representation

Dear Mr. Brandenburg:

I am pleased that the City of Clewiston may wish to engage our Firm to perform legal services. From our experience, we have found that clients appreciate a frank and open discussion and understanding of the services that we will perform and the basis upon which they will be expected to pay for those services.

This letter is intended to set forth our understanding as to the nature and scope of the legal services we have agreed to render for you, the amount of our fees for those services, the manner in which our fees for those services shall be determined and the terms upon which you will make payment.

1. <u>Nature of Legal Services</u>. You have engaged us to provide General Labor and Employment law services, including representation in connection with the representation certification petition recently filed with the Florida Public Employees Relations Commission for members of the City's police department. As we discussed, our Firm currently serves as labor counsel for more than 30 government entities across the State of Florida, and we are regularly called upon to represent local governments in connection with union organizing efforts.

2. <u>Fees for Services</u>. You will be charged and agree to pay for our services on the basis of hourly rates established from time to time for the attorneys in our Firm, together with applicable taxes if any. The Firm will charge a discounted hourly rate of \$350/hour for all attorney time. It is our practice to charge for actual time expended on your behalf, but not less than 2/10ths of an hour for each activity. Our rates will increase on October 1 of each year by three percent (3%).

3. <u>Costs</u>. In addition to the fees discussed in paragraph 2, we anticipate that certain expenses may be incurred and advanced on your behalf. These expenses may include filing fees, recording costs, out-of-town travel expenses, delivery charges, long distance telephone charges,

Dylan Brandenburg, Esq. City of Clewiston April 8, 2024 Page 2

photocopies (xerox), special postage (express mail, certified mail and the like), computer research charges, court reporter expenses (including cost of transcript and court reporter's fee for attendance), court costs (such as filing fees, service of process, newspaper publication costs, subpoena costs, witness fees, recording fees, etc.), accounting and appraisal fees, fees and expenses of experts necessary to assist in the preparation and hearing of your case, investigation costs, word processing fees, computer charges and applicable lobbyist registration fees. In addition to our fees for legal services, you agree to pay us for such out-of-pocket expenditures. In the event unusually large costs or advances are anticipated, we reserve the right to require an additional cost deposit from you prior to undertaking the expenditures of funds on your behalf.

4. Our invoices will be submitted to you on a monthly Payment of Fees and Costs. basis and each invoice will be due and payable when rendered. You must understand that if any invoice remains unpaid for more than 30 days after it is rendered, we reserve the right, in our discretion (subject to court approval, if necessary), to cease to provide further legal services to you. You will, however, be liable to us for the payment of any fees earned and any costs incurred by us to that time, together with any applicable taxes. In the event we are ultimately required to bring suit to collect any unpaid fees and costs, you understand that you will be required to pay reasonable attorneys' fees as well as legal interest on the amount of any fees and costs due us. You further understand that we have the right to retain any and all files, papers and other property coming into our possession in connection with our engagement without any liability to you until we have been paid all costs, fees and interest due us under this agreement. You also agree to the imposition of a charging lien for any monies due us on all real and personal property that is preserved, protected or obtained as a result of the representation undertaken herein. Interest at the rate of 12% per annum will be added to any invoice which remains unpaid for more than 30 days after it is rendered.

5. <u>Withdrawal from Representation</u>. We reserve the right to withdraw from representing you if you have misrepresented or failed to disclose material facts to us, or if we disagree about the course of action which should be pursued.

6. <u>Representation of Other Clients</u>. We are bound by rules of legal ethics not to represent any client if the representation of that client will be directly adverse to the interests of another client unless each such client consents to such representation after consultation. If this letter is addressed to more than one person, your signature of this letter will constitute such consent from each of you with respect to the matter or matters specifically described in the paragraph of this letter entitled "Nature of Legal Services." Based on the information currently available to us, we do not believe any conflict of interest exists that would preclude us from representing You.

7. <u>Fees for Other Services</u>. In the event you ask us to render legal services with respect to other matters, in the absence of a written agreement specifically addressing that representation, the other matters will be handled on an hourly basis, and fees and costs will be payable under the same terms and conditions as provided for in paragraph 2 of this letter.

8. <u>Commencement of Representation</u>. If the foregoing is agreeable to you, please acknowledge your understanding and agreement by signing this letter and delivering it to us, together with payment of the retainer and/or cost deposit set forth above, if any.

Dear Mr. Brandenburg:

Re: Proposal to Provide Labor and Employment Legal Counsel

This correspondence is Ward, Damon, P.L's ("Ward Damon") proposal to provide services and counsel on matters involving labor and employment relations for City of Clewiston, Florida. If you have any questions and/or require any additional information or further explanation, please do not hesitate to contact me directly via email or by phone 561-239-0025.

The Firm's History, Culture, and Unique Qualifications.

Ward Damon began thirty-seven years ago on June 1, 1987, in West Palm Beach, Florida. From the beginning, Ward Damon's mission has been to compete with the largest firms in Florida by providing comparable services at a better value. Ward Damon is unique in that it provides the highest-level legal services efficiently at a fair and attractive price. Furthermore, our team of attorneys make a point to understand the businesses they represent, so that legal advice is provided with a clear understanding of the impact on the client's business on a global scale, rather than in isolation. The Firm is recognized by U.S. News and World Report as one of the Best Law Firms in Florida.

Ward Damon's Employment and Labor Law Team is uniquely qualified to perform legal services for the City. In addition to the first-hand knowledge and experience that Partners Pheterson, Goldstein, and Rehns have, each of the attorneys in the Firm's labor and employment law practice group have years of significant experience representing both private and public-sector

Dylan Brandenburg, Esquire City of Clewiston, Florida Page 2

employers, as well as non-profit organizations, in all phases of employment law and labor relations.

Ward Damon has identified three attorneys that will be principally responsible for CareerSource's labor and employment law work (the "Team"). Briefly, the attorneys and their designated roles are: **I. Jeffrey Pheterson** (labor and administrative law, litigation, review of business documents); **Bari L. Goldstein** (employment law day-to-day advice and counseling, employment forms and guidance, labor and administrative law, responses to regulatory agencies); and **Kenneth Rehns** (employment and business litigation, review of business documents, employment law day-to-day advice and counseling). Associate **Phil Werner** also will provide services at a lower hourly rate as appropriate.

Local Government and Non-Profit Counsel. Ward Damon has significant experience with local government labor and employment issues throughout the State of Florida. Currently, in addition to CareerSource Palm Beach County, CareerSource Research Coast, and CareerSource Heartland, the Team's public-sector clients include Palm Beach Shores, the City of Riviera Beach, South Broward Drainage District, South Central Regional Wastewater Treatment & Disposal Plant, the Port of Palm Beach, as well as the Towns of Manalapan, Gulf Stream and Highland Beach, as well as the Civil Service Board of The City of Belle Glade. The Firm also currently represents the Broward Center for the Performing Arts (the Performing Arts Center Authority, a local governmental entity created by the Florida Legislature). Over the years, Ward Damon attorneys have represented, among others, Palm Beach County, the City of Boca Raton, the Village of Golf, the City of Delray Beach PERC, the Town of Palm Beach PERC, the City of West Palm Beach, the Palm Beach County School Board, South Florida Water Management District, and other local taxing districts. Mr. Pheterson previously was a hearing officer and trial attorney of the Public Employees Relations Commission of the State of Florida.

The Team have had the opportunity to assist a plethora of public entities with a wide variety of labor and employment issues. To this end, the Team has advised numerous public entities on miscellaneous labor and employment issues, day-to-day labor and employment advice and counsel, assessed risk and counseled clients on liability and culpability, handled wage and hour matters and/or other employment litigation, negotiated collective bargaining agreements, and researched and opined on Florida's Sunshine Law and public records laws.

Litigation and Arbitration Experience. Ward Damon is a multi-discipline practice and its Employment and Labor Law Team members are admitted to and have litigated cases in state and federal courts, and they have arbitrated cases brought through the FMCS, AAA and JAMS. Collectively, we have litigated actions in state and federal court for claims brought under, *e.g.*, ADA, ADEA, FLSA, Title VII, Florida Civil Rights Act, 42 USC 1981, and 42 USC 1983, and have prosecuted discipline and discharge actions pursuant to the terms of various collective bargaining agreements. A large percentage of the cases we have defended have been resolved favorably through summary judgment.

Designated Attorneys. Three attorneys are principally responsible for the Firm's Labor and Employment Law work.

I. Jeffrey Pheterson focuses on labor issues, including collective bargaining and administrative law and litigation. He has extensive experience contract negotiations with the PBA on behalf municipalities. Mr. Pheterson has also served as the City of Delray Beach and the Town of Palm Beach's PERC General Counsel. He is a former Chairperson and Member of the Executive Council of the Labor and Employment Section of the Florida Bar (1984-1993). Also, he is a former Administrative Hearing Officer and Trial Attorney for the Public Employees Relations Commission of the State of Florida (1976-1981).

Bari L. Goldstein specializes in preventative labor and employment defense work and has worked exclusively in management-side labor and employment law for just under 25 years. She regularly counsels private, not-for-profit and public sector employers on varied regulatory, administrative and litigation issues that affect all aspects of the employment relationship. Her work includes but is not limited to advising employers on personnel issues, wage and hour matters, and employee relations; conducting internal investigations; drafting handbooks, contracts, job descriptions, and employment forms. Ms. Goldstein also drafts responses and appears at mediations, on-site audits and investigations by local, state and federal governmental agencies (e.g., OFCCP, DOL, OSHA, ICE, FCHR, and EEOC) involving complaints of discrimination, I-9 compliance, affirmative action plans, OSHA complaints, unemployment claims and wage and hour issues. Ms. Goldstein currently serves on the Corporate Board of Boys & Girls Clubs of Palm Beach County and chairs its HR/Legal Committee, as well as its Board-Led Safety Committee; serves on the Board of Directors and Chairs the Human Resources Committee for Families First of Palm Beach County; and, serves on the Human Resources Standing Committee for Alzheimer's Community Care.

Kenneth Rehns focuses on complex commercial litigation and labor and employment litigation in both state and federal courts. He has extensive experience successfully litigating matters through trial and on appeal. He also advises businesses on a wide range of business matters, including ADA compliance, telemarketing regulations, software licensing agreements, franchise agreements and restrictive covenants. He was the chair of the Labor and Employee Committees of both the Palm Beach County Bar Association and the South Palm Beach County Bar Association and a member of the Board of Advisors of the Boys and Girls Club of Boca Raton.

Fees and Billing Structure. Our rates are competitive, and we are familiar with publicsector billing conventions. We are pleased to offer a blended rate for all attorneys of \$325.00 per hour and a rate of \$140 to \$150 for paralegals. Typically, the Firm does not require a retainer from its public-sector clients. Time is recorded contemporaneously by attorneys and paralegals on the basis of tenths of an hour. No time is charged to respond to billing related questions. If billing rates change, that happens no more than annually, and is discussed with the client prior to any increases taking effect. Bills are due net 30 days. Identified unique costs, such as court reporter Dylan Brandenburg, Esquire City of Clewiston, Florida Page 4

or deposition costs, expert witness fees, federal express, etc., are either billed directly to client or passed through, depending upon client's preference and particular expense at issue.

The Firm is also familiar with working and happy to work within the confines and/or restrictions adopted by any of the City's insurance carriers when matters may or do impact Employment Practices Liability Insurance or any other of the Organization's applicable insurance plans.

Thank you for considering Ward Damon's Team for the City's labor and employment law related concerns. If you require any additional information or further explanation, please do not hesitate to contact me.

Sincerely,

I. Jeffrey Pheterson

Dylan,

It was a pleasure speaking with you this morning. As discussed, our firm would be delighted to work with you at the City of Clewiston regarding labor and employment matters on an as needed basis.

As I mentioned during our call, the rate would be \$290/hr with a ½ rate for travel time. Additionally, I should mention that our rates do increase by 3% each year. However, I would be able to defer that until 10/1/26.

If you need anything else from me to present to your Commissioners, please do not hesitate to contact me. I appreciate the opportunity to be considered.

Thank you,

Lara
